

Certified Healthcare Management Professional

Permitted by **KHDA**

Blended
Learning

Duration
10 Weeks

DeMont Institute of Management and Technology is a Technical and Vocational Education and Training (TVET) provider in the UAE. DeMont offers NCFE, CMI, and Pearson programs that are permitted by the Knowledge and Human Development Authority (KHDA). We have mastered the art, science, and practice of providing quality UK education with optimum result-centric teaching methods that include pedagogical and blended forms of learning. Imparting quality education, offering accredited certifications, and delivering lessons that will alter our student experience for the better are at the care of our institution's value. DeMont aspires to pave a promising career pathway for all those who walk through the doors of the institution with the desire to learn and grow.

The Chartered Management Institute (CMI) collaborates with businesses and educational organisations to empower professionals by enhancing their skills, encouraging a confident professional approach to the career of students, and helping shape successful managers and leaders. CMI is the only chartered professional body dedicated to promoting the highest standards of management and leadership excellence.
